

Assessment Request

<http://www.ioutsource.co.za/mmela/web/html/menu.html>

Assessment Request

This appears under the Claims Manager menu. When you click on Assessment Request, you are prompted to type the Vehicle Registration number.

[Main Menu](#)

Validate Registration for Assessment Request

Vehicle Reg No:

Vehicle Reg No

If the Vehicle Reg No is not in the fleet manifest, type the Insured's PERSAL number. If this still doesn't work, send an email with the Vehicle Reg No info@ioutsource.co.za and request the vehicle to be added to the fleet manifest. After validating, the following screen will appear.

Assessment Request For Claim No: * - req

Assessor

*Assessor: Click on the dropdown button and type the first letter of the Suburb you are looking for. After a suburb is selected, the Warning above will disappear

The following warning that appears at the top of the page indicates that an Assessor has to be selected from the dropdown. This warning disappears as soon as an Assessor is selected. If the required assessor's name does not appear in the drop down list, request the Assessor to complete the Assessor application form at www.autovac.co.za

Warning: Invalid argument supplied for foreach() in /home/matth119/public_html/FORMfields/src/FfForm.php on line 1001.

Missing Information

The system will supply the information for the selected vehicle from the database but the missing information must be filled in.

The Claim Form and Quotation must also be uploaded. In order to test/train yourself, you are welcome to complete an Assessment Request for a vehicle with registration number **TEST000GP** and appoint **Test Assessing Co** from the dropdown.
